but a good, strong high to challenge us!

Please take the time to answer each question as specifically as possible.

11. Name one thing that you especially like about this teacher or this class.
I learned more about technology with our technology unit. I am going to need this knowledge for the future - as I am majoring in elementary education. I also enjoyed furthering my essay skills from last year.
12. Name one thing that you think this teacher could do better or differently to improve the class' learning.
Nothing really, I actually really enjoyed this class.

13. How many times did you use the teacher's website?

there's a website?

quarterly

monthly

weekly

daily

Did you find the website useful? Why or why not?

Yes the website was useful and organized. It was easy to access assignments and directions for assignments

14. Please, rate the lesson/assignment/project read/done in class:

List the two lessons/assignments/projects you most enjoyed in this course	List the two lessons/assignments/projects which helped you grow the most as a reader and a thinker
technology - Prezi project	technology unit
Persuasive research paper	the Grammar mini lessons
List the two lessons/assignments/projects you least enjoyed in this course	List the two lessons/assignments/projects which helped you grow the least as a reader and a thinker
Informative project	Informative
Criticism	Criticism

English teachers commonly reevaluate lessons in the courses they teach. Is there any lesson/assignment/project you passionately feel should be kept or eliminated from the course? Please indicate your reasoning for this opinion.

Keep the Persuasive Research paper and the Technology unit. I learned so much more about writing a "correct" persuasive paper and how to cite it. I learned how to navigate around and with technology and how to get off the escalator
