Please take the time to answer each question as specifically as possible.

11. Name one thing that you especially like about this teacher or this class.

This has been one of my favorite classes in high school. The class focuses on the future of writing, making it a good introduction for our adult lives. The small class size allows for a more personalized education.

12. Name one thing that you think this teacher could do better or differently to improve the class' learning.

I have no complaints for this class, I have learned more and been more successful in this class than any other English class I have taken.

13. How many times did you use the teacher's website?

there's a website?

quarterly

monthly

weekly

daily

Did you find the website useful? Why or why not?

Yes. I could get homework information when not at school, as well as check due dates and if we were in a computer lab.

14. Please, rate the lesson/assignment/project read/done in class:

List the two lessons/assignments/projects you most enjoyed in this course	List the two lessons/assignments/projects which helped you grow the most as a reader and a thinker
Plagiarism	Persuasive Research Paper
Technology lesson	Lit. Crit. essay.
List the two lessons/assignments/projects you least enjoyed in this course	List the two lessons/assignments/projects which helped you grow the least as a reader and a thinker

-I can remember anything that bothered me
English teachers commonly reevaluate lessons in the courses they teach. Is there any lesson/assignment/project you passionately feel should be kept or eliminated from the course? Please indicate your reasoning for this opinion.

Although the Persuasive Research Paper was difficult, I feel it was the best assignment as it tested a lot of what we had learned this semester. I think it is valuable to future students.
